Call 511 for road information

Water on roadway on I-94 between Tower City and Oriska

According to the North Dakota Department of Transportation, **Interstate 94** both east and west bound has water over the roadway between Tower City and Oriska at mile marker 305. The roadway is still open, but motorists should expect delays, especially as holiday traffic returns home.

Motorists are encouraged to check road conditions before traveling due to rapidly changing conditions. Fluctuating water levels make it difficult to predict when and where water will go over a roadway or recede from the roadway.

For road information, call 511 from any type of phone or go to the website:

www.511.nd.gov for road and weather conditions.
